About two weeks ago, a surprising thing happened to me. On that day, I went to a restaurant with my family. We often go to the restaurant, so the owner of the restaurant, Mr. Hara, knows us well. When we were having dinner, a man came into the restaurant. He was my favorite tennis player! I was surprised and happy. I wanted to talk to him, but I couldn't.

About ten minutes later, Mr. Hara came to me and said, "Hiroko, I know you like tennis. Shall I introduce you to that tennis player?" I said, "Yes, please," and we went to the tennis player's table. He was very kind and I talked with him a lot. I thanked the tennis player and Mr. Hara, and went back to my table.

Questions:

No. 1 When did Hiroko meet her favorite tennis player?

No. 2 What did Mr. Hara do for Hiroko?

No. 3 Was the tennis player kind? 繰り返します。
